PROGRAM

"THE YEE FAMILY": A Film In The Making"

A special showing will be presented to the Society by Producer Humberto Rivera and his associates. Mr. Rivera will describe some of the problems and adventures encountered while creating a film on the past and present of one Chinese American family. The Yee brothers, Chuck, George, John, Johnson, and Joe are Society members; as is Mr. Rivera's company. "Outtakes" of Society activities such as the Fiddletown field trip will also be shown. JOIN US for an unique, entertaining evening.

SOCIETY FIELD TRIP

Our Spring Field Trip will be to the Kern County Heritage Day in Bakersfield on April 28. This is an event which combines history, fun, and festival. We'll arrive in time for the parade and later have dinner at the well-known Basque restaurant in the area.

We'll rent a bus for the one day trip if we have 40 people.

FIRST COME--FIRST SERVE Call Margie Lew 222-4375 or Dora Lau at 225-8921 for reservations. Include the whole family.

Costs will be kept small. Come to the April 4 meeting for final details. This should be a FUN and MEMORABLE trip.

ASIAN PACIFIC AMERICAN HERITAGE WEEK

"Journeys Make, Journeys Yet To Come," the photodisplay sponsored by our Society on the history of Chinese Americans, will probably be shown at the Broadway Plaza, L.A. downtown, from April 29 to May 13 and then at the City Hall Mall East.

The Asian Pacific American Actors Association is presenting the musical extravaganza, "From APAAA With Love," on May 1, 2, 3, 8 P.M. Name Asian performers are featured. Ticket information: Rudi Bernabe 485-6379 or Les Hamasaki 485-2956.
